

## NBN ESSENTIAL BUNDLE

### INFORMATION ABOUT THE SERVICES

Here's a quick summary of all the important information about NBN Essential Bundle. The service is provided over the National Broadband Network (nbn™) and is available in nbn enabled areas. The plan includes unlimited data over interface speeds up to 12Mbps download and 1Mbps upload and includes a voice service.

**Minimum Term** is 24 months.

**Other Important Conditions**

Offer available to approved customers only.

Services are provided under our Standard Form of Agreement <http://www.planettel.com.au/important-documents>

Early Termination Charge applies (except during any applicable cooling off period).

### BUNDLING ARRANGEMENTS

**Once an NBN Essential Bundle is purchased**

Change of plan option is restricted to NBN Bundle plans only and you cannot move back to an ADSL2+/ADSL service

You cannot separately cancel either component (NBN Broadband or Voice Line). Cancellation will cease both services and the applicable Early Termination Charge will apply.

### AVAILABILITY

NBN Essential Bundle is available at selected coverage areas and subject to infrastructure availability at customer's premises.

### NBN SPEEDS

Actual throughput speeds may be slower and could vary due to many factors including type/source of content being downloaded, hardware and software configuration, the number of users simultaneously using the network and performance of interconnecting infrastructure not operated by Planet Tel. Devices connected by Wi-Fi may experience slower speeds than those connected by a cable. The Standard speed option has a maximum download line speed of up to 12Mbps and maximum upload line speed of up to 1Mbps

### INFORMATION ABOUT PRICING

**Monthly Access Charge \$79.95**

What's Included	Call Charges	What's Included	Call Charges
Internet	Unlimited	Fixed to Mobile	\$0.17 per minute

## NBN ESSENTIAL BUNDLE

<p><b>HARDWARE</b></p>	<p>We offer a Standard Modem (\$99 incl GST) or Premium Modem (\$199 incl GST) per unit plus \$19.95 P&amp;H. The modem is customer self-installed and auto-configured. Please note that support is only available for Planet Tel approved modems.</p>
<p><b>CONNECTION CHARGES</b></p>	<p>Standard Installation is included with your plan. If you're in a newly constructed building and not already connected to the nbn, nbn Co may charge you a once-off New Development charge of \$300 (inc GST). Where the additional work is required to connect your nbn service is more than a standard professional installation, you may be charged an additional fee. In such cases, Planet Tel or nbn Co will provide any additional installation charges with you before the work being completed for you to approve. A 240 volt power supply may be required. In the event of a power outage, your services will not work unless you maintain a back-up battery. If you take up a Fibre to the Business service, you will not be able to move back to a copper service.</p>
<p><b>CONNECTION TIMEFRAME</b></p>	<p>If there has been a previous working NBN service at your premises and we can reconnect it without having to visit your premises, then we aim to connect the service within 5-7 working days of your request. If this isn't possible, then we aim to connect your service within 10- 15 working days, depending on your location.</p>
<p><b>BILLING</b></p>	<p>We will bill you in advance for the Monthly Access Charge and features. Your first bill will include charges for part of the month from when you signed up to your plan until the end of that billing period, as well as the Monthly Access Charge in advance for the next billing period. Our billing period starts on the 1st of every month. For details on usage, customers can access our online customer portal at <a href="http://www.planetnetel.com.au">www.planetnetel.com.au</a></p>
