OBERON ESSENTIAL

CONNECTION TIMEFRAME

If there has been a previous working business phone service at your premises and we can reconnect it without having to visit your premises, the local telephone exchange or anywhere in between, then we aim to connect the service within 3-5 working days of your request.

If this isn't possible, then we aim to connect your service within 10 - 15 working days, depending on your location.

BILLING

We will bill you in advance for the Monthly Access Charge and features. Your first bill will include charges for part of the month from when you signed up to your plan until the end of that billing period, as well as the Monthly Access Charge in advance for the next billing period. Our billing period starts on the 1st of every month. For details on usage, customers can access our online customer portal at www.planettel.com.au
