As previously notified by Telstra on Friday 24 January 2020, parts of the Capricornia, Wide Bay and Burnett, Central Highlands and Coalfields, Maranoa and Warrego and the Channel Country Districts of Queensland were impacted by severe weather on or about Thursday 16 January 2020 through to Saturday 18 January 2020. This number may increase as Telstra assesses the full effect of the severe weather conditions. Based on current information, the resumption date of normal service operations is expected to be 22 March 2020. This date is indicative only; Telstra customers should anticipate that some further delays may occur.
